

**CITY OF ALISO VIEJO
MEMBER OF THE CITY COUNCIL**

DONALD GARCIA

AGE: 45

OCCUPATION: Attorney

I was born and raised in Orange County, and moved with my wife to Aliso Viejo ten years ago so that we could raise our three children in a safe and beautiful city that reflected our core values. Ten years later, we have never regretted that decision and I am now committed to work towards maintaining that same quality of life for all of us.

Like many of you, my parents taught me the importance of hard work, education, and perseverance. After serving in the 101st Airborne, I worked my way through college and law school, and currently maintain an active litigation practice. I have served my community on the Development Review Committee and as Architectural Chairman of my sub-association.

One of the chief threats to our quality of life is complacency, the risk that we will take our way of life for granted. Fortunately, my city service has taught me that many of my neighbors are willing to put their shoulders to the task. I am willing to work with you, shoulder-to-shoulder, to ensure that your City Council does everything within its power to preserve Aliso Viejo as our city, and our families, mature.
